George Drouillard's service to the Lewis and Clark Expedition was long obscured by the stronger light cast on the leaders and Sacagawea. Drawing from the various journals of the expedition and from many more obscure documents, letters, and legal records, M. O. Skarsten presents not merely an account of the pursuits in which Drouillard engaged but also an idea of the kind of man he was, as a member of the famous expedition and later as a partner of Manuel Lisa in the fur trade. ø The variety of responsibilities assigned to Drouillard during the expedition form an impressive list?recruiting personnel, message bearing, retrieving a deserter, pursuing strayed and stolen horses, trading for horses and canoes, horse gelding, and serving as riverboat helmsman, diplomat to the Indians, and boon companion to Lewis?in addition to the hunting and interpreting for which he was specifically hired. Skarsten also pays detailed attention to Drouillard's fur-trade activities, including his trial for the murder of Bissonette, his attempt to trade with the Blackfeet, and later his death at their hands in 1810. ø Robert C. Carriker's introduction to this edition includes information on Skarsten, an evaluation of his treatment of Drouillard, and new information on Drouillard revealed since the book's original publication in 1964.

From the award-winning author of One Thousand White Women, a novel in the tradition of Little Big Man, tracing one man's search for adventure and the wild Apache girl who invites him into her world When Ned Giles is orphaned as a teenager, he heads West, hoping to leave his troubles behind. He joins the 1932 Great Apache Expedition on their search for a young boy, the son of a wealthy Mexican landowner, who was kidnapped by wild Apaches. But the expedition's goal is complicated when they encounter a wild Apache girl in a Mexican jail cell, victim of a Mexican massacre of her tribe that has left her orphaned and unwilling to eat or speak. As he and the

expedition make their way through the rugged Sierra Madre mountains, Ned's growing feelings for the troubled girl soon force him to choose allegiances and make a decision that will haunt him forever. In this novel based on historical fact, Jim Fergus takes readers on a journey of magnificent sweep and heartbreaking consequence peopled with unforgettable characters. With prose so vivid that the road dust practically rises off the page, *The Wild Girl* is an epic novel filled with drama, peril, and romance, told by a master. This is the novel your reading group will be talking about long past your discussion!

NATIONAL BESTSELLER • At once an incredible adventure narrative and a penetrating biographical portrait—the bestselling author of *Destiny of the Republic* brings us the true story of Theodore Roosevelt's harrowing exploration of one of the most dangerous rivers on earth. The River of Doubt—it is a black, uncharted tributary of the Amazon that snakes through one of the most treacherous jungles in the world. Indians armed with poison-tipped arrows haunt its shadows; piranhas glide through its waters; boulder-strewn rapids turn the river into a roiling cauldron. After his humiliating election defeat in 1912, Roosevelt set his sights on the most punishing physical challenge he could find, the first descent of an unmapped, rapids-choked tributary of the Amazon. Together with his son Kermit and Brazil's most famous explorer, Cândido Mariano da Silva Rondon, Roosevelt accomplished a feat so great that many at the time refused to believe it. In the process, he changed the map of the western hemisphere forever. Along the way, Roosevelt and his men faced an unbelievable series of hardships, losing their canoes and supplies to punishing whitewater rapids, and enduring starvation, Indian attack, disease, drowning, and a murder within their own ranks. Three men died, and Roosevelt was brought to the brink of suicide. The River of Doubt brings alive these extraordinary events in a powerful nonfiction narrative thriller that happens to feature one of the most famous Americans who ever lived. From the soaring beauty of the Amazon rain forest to the darkest night of Theodore Roosevelt's life, here is Candice Millard's dazzling debut.

The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of *THE SECRET*. Are you smart enough? *THE SECRET: A TREASURE HUNT* was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

Offers a visual tour of the artwork, design sketches, and digital effects depicting Skull Island that enhance the remake of "King Kong" directed by Peter Jackson.

Reproduction of the original: Napoleon Bonaparte by John S.C. Abbott

A Pulitzer Prize-winning author examines South Pole expeditions, “wrapping the science in plenty of dangerous drama to keep readers engaged” (Booklist). *An Empire of Ice* presents a fascinating new take on Antarctic exploration—placing the famed voyages of Norwegian explorer Roald Amundsen, his British rivals Robert Scott and Ernest Shackleton, and others in a larger scientific, social, and geopolitical context. Recounting the Antarctic expeditions of the early twentieth century, the author reveals the British efforts for what they actually were: massive scientific enterprises in which reaching the South Pole was but a spectacular sideshow. By focusing on the larger purpose of these legendary adventures, Edward J. Larson deepens our appreciation of the explorers' achievements, shares little-known stories, and shows what the Heroic Age of Antarctic discovery was really about. “Rather than recounting the story of the race to the pole chronologically, Larson concentrates on various scientific disciplines (like meteorology, glaciology and paleontology) and elucidates the advances made by the polar explorers . . . Covers a lot of ground—science, politics, history, adventure.” —The New York Times Book Review

Here is the astonishing true story of Ruth Harkness, the Manhattan bohemian socialite who, against all but impossible odds, trekked to Tibet in 1936 to capture the most mysterious animal of the day: a bear that had for countless centuries lived in secret in the labyrinth of lonely cold mountains. In *The Lady and the Panda*, Vicki Constantine Croke gives us the remarkable account of Ruth Harkness and her extraordinary journey, and restores Harkness to her rightful place along with Sacajawea, Nellie Bly, and Amelia Earhart as one of the great woman adventurers of all time. Ruth was the toast of 1930s New York, a dress designer newly married to a wealthy adventurer, Bill Harkness. Just weeks after their wedding, however, Bill decamped for China in hopes of becoming the first Westerner to capture a giant panda—an expedition on which many had embarked and failed miserably. Bill was also to fail in his quest, dying horribly alone in China and leaving his widow heartbroken and adrift. And so Ruth made the fateful decision to adopt her husband's dream as her own and set off on the adventure of a lifetime. It was not easy. Indeed, everything was against Ruth Harkness. In decadent Shanghai, the exclusive fraternity of white male explorers patronized her, scorned her, and joked about her softness, her lack of experience and money. But Ruth ignored them, organizing, outfitting, and leading a bare-bones campaign into the majestic but treacherous hinterlands where China borders Tibet. As her partner she chose Quentin Young, a twenty-two-year-old Chinese explorer as unconventional as she was, who would join her in a romance as torrid as it was taboo. Traveling across some of the toughest terrain in the world—nearly impenetrable bamboo forests, slick and perilous mountain slopes, and boulder-strewn passages—the team raced against a traitorous rival, and was constantly threatened by hordes of bandits and hostile natives. The voyage took months to complete and cost Ruth everything she had. But when, almost miraculously, she returned from her journey with a baby panda named Su Lin in her arms, the story became an international sensation and made the front pages of newspapers around the world. No animal in history had gotten such attention. And Ruth Harkness became a hero. Drawing extensively on American and Chinese sources, including diaries, scores of interviews, and previously unseen intimate letters from Ruth Harkness, Vicki Constantine Croke has fashioned a captivating and richly textured narrative about a woman ahead of her time. Part Myrna Loy, part Jane Goodall, by turns wisecracking and poetic, practical and spiritual, Ruth Harkness is a trailblazing figure. And her story makes for an unforgettable, deeply moving adventure.

From the internationally bestselling creator of *Lost Ocean* and *Secret Garden* comes a beautiful new adult coloring book that takes you on a wondrous expedition through the jungle. Follow ink evangelist Johanna Basford down an inky trail through the Magical Jungle and discover a forgotten world of flora and fauna just waiting to be colored in this new coloring book for adults. Through intricate pen and ink illustrations, color-inners of all ages are

invited to explore an exotic rainforest teeming with creatures large and small. Encounter speckled tree frogs and dainty hummingbirds, prowling tigers and playful monkeys. Let your imagination run wild in the leafy treetop canopy or find yourself drawn to the delicate world of sensational blossoms and tropical plants below. Now printed on specially selected ivory paper. This paper has been specifically created for Johanna Basford ' s coloring books. It has a medium tooth which is perfect for creating beautiful colored pencil effects or chalk pastel backgrounds but also wonderful for pens, which will glide effortlessly over its surface. Filled with stunningly detailed illustrations, Magical Jungle is a blissful and relaxing at-home activity for people of all ages. “ The colorists have a queen, and her name is Johanna Basford. ” —New York Magazine “ Consider trading in your yoga mat for a set of markers and peruse the gorgeous gardens of Basford ' s imagination. ” —The Huffington Post
