Professional Negligence Litigation in Practice has been specifically written to provide students with a detailed introduction to the complex legal issues surrounding professional negligence disputes. Concentrating on two specific areas of professional negligence; clinical negligence and solicitors' negligence, this manual examines and provides practical guidance on how such a case might be most effectively prepared and presented. Split into five distinct parts; the first part of the manual covers selected areas of the substantive law as it relates to professional negligence cases, building on students' existing knowledge of the Civil Procedural Rules and examining the pre-action protocols and the role of the case management conference. Part III reflects the pragmatic approach adopted by the manual, and has been specifically designed to develop students' drafting skills to the advanced level required in professional negligence cases. The final part of the manual focuses on providing

students with an introduction to the key people and bodies whom they will commonly encounter in this area of practice. It also provides consideration of the availability and impact of funding arrangements on professional negligence cases and alternative dispute resolution. This manual will be an invaluable guide for students wishing to practice in civil common law chambers, particularly in the areas of professional negligence or personal injury.

In *Mordin On Time*, Nick Mordin sets out his method for answering the most fundamental question facing punters in any race, namely: which is the fastest horse? He was timing the sections of races with a stop watch, estimating wind strength and direction, adjusting for movements of running rails, using projected times and calculating average times years before the best-selling American books on speed rating were published. This new edition incorporates much new material, including standard times for all Irish racecourses (plus the major French ones). *Mordin On Time* enables the reader to construct their own speed ratings wherever they live.

There ' s something in the earth deep below Elise Kavanagh ' s territory. A shadow is falling upon local demons to devour their flesh and harvest their souls. And it ' s coming for Elise next. The Union has an easy way out. They want to send Elise into hiding again with her former partner, James Faulkner. All she has to do is surrender the territory and trust that they can protect the ethereal ruins, the dark gate, and the city she ' s come to know as home. Greater powers have other plans for Elise and her fabled power as Godslayer—plans that mean surrendering her life and blood to the most powerful demon alive. But if she descends, there ' s no turning back. Once she gazes into the abyss, it will gaze back into her...and Elise will be damned forever.
