## ACEP // EMTALA Fact Sheet

In 1986, Congress enacted the Emergency Medical Treatment & Labor Act (EMTALA) to ensure public access to emergency services regardless of ability to pay. Section 1867 of the Social Security Act imposes specific obligations on Medicare-participating hospitals that offer emergency services to provide a medical screening examination (MSE) when a request is made for examination or treatment for an emergency medical condition (EMC), including active labor, regardless of an individual's ability

...

About one in six Emergency Medical Treatment and Labor Act (EMTALA) settlements involve obstetric (OB) emergencies, according to a recent analysis. 1. Sophie Terp, MD, the study's lead author, notes that there have been controversies about EMTALA's scope, but there can be no doubt this law applies to active labor; the word "labor" is right there in the title.

Analysis: 1 in 6 EMTALA Settlements Involve OB Emergencies ...

The federal Emergency Medical Treatment and Labor Act (EMTALA) requires an initial medical screening examination to determine if a true medical emergency exists; in the case of a pregnant woman, this includes evaluation of the woman and the

screening examination (MSE) included the following: ?Ongoing evaluation of fetal heart tones, ?Regularity and duration of uterine contractions, ?Fetal position and station, ?Cervical dilation, ?And status of the membranes, i.e., ruptured, leaking, intact. 12 What was the Problem?

EMTALA and OB Issues - [tnpatientsafety.com](http://tnpatientsafety.com)

OB patients were the primary reason for EMTALA. A huge percentage of EMTALA citations have been issued for OB situations. Of the non-transfer citations, most have to do with not receiving a timely evaluation by the OB and typically involve a failure to appreciate the EMTALA obligation to OB patients.
