Far Bugles - webmail.bajanusa.com

When you bugle far away he just answers you to acknowledge another bull. But when you cut the distance and bugle again, the bull thinks you are coming for his cows. So he rounds them up and leaves. You have to get right in his grill to bugle the second time. You have to put the bull in a position that he has to defend his cows. If he catches your wind, that also will make them shut up and ...
