Dave Hollis used to think that “ personal growth ” was just for broken people. Then he woke up. When Dave Hollis ' s wife, Rachel, began writing her #1 New York Times bestselling book, *Girl, Wash Your Face*, he bristled at her transparency and her willingness to talk about such intimate details of their life. But when a looming career funk, a growing drinking problem, and a challenging trek through therapy battered the Disney executive and father of four, Dave began to realize he was letting untruths about himself dictate his life. As he sank to the bottom of his valley, he had to make a choice. Would he push himself out of his comfort zone to become the best man he was capable of being, or would he play it safe and settle for mediocrity? In *Get Out of Your Own Way*, Dave tackles topics he once found it difficult to be honest about, things like his struggles with alcohol, problems in his marriage, and his insecurities about being a dad. The New York Times bestselling "road map of conscious compassion and love" (Deepak Chopra) from actor, singer, songwriter Tyrese Gibson. Organized as a series of fundamental questions that helped Tyrese redefine who he was as a human being, and evolve into a new man, How To Get Out of Your Own Way is a guide to helping yourself, using his experiences as a learning tool. "It's not about talking down to people, it's about elevating them," Tyrese says, stressing that life becomes infinitely richer when one takes the time to know oneself and understand the true meaning of peace and fulfillment. Some of Tyrese's chapter-based questions include: How much do you love yourself? How much do you want for yourself? Why do men cheat? What is your bottom line? Are you ready for the next level? With personal experiences paired with reflective questions based on his extremely popular blog piece, "The Love Circle", Tyrese hopes to inspire readers to pursue their dreams and not let life's obstacles stand in the way. "A triumph. Tyrese will shock and amaze you with how he overcame the odds and became a superstar." --Rev Run "I've watched Tyrese for many years -- I've watched him succeed; I've watched him fail; I've seen him as a beneficiary of serendipity, and I've watched him suffer at his own hand. And in the recent years, as we've become friends, I've witnessed Tyrese Gibson learn how to get out of his own way." --Will Smith

Jordan Peele's celebrated screenplay combines horror and dark humor to reveal the terrifying realities of being Black in America "Blending race-savvy satire with horror to especially potent effect, this bombshell social critique from first-time director Jordan Peele proves positively fearless." -Peter Debruge, Variety "An exhilaratingly smart and scary freak out about a black man in a white nightmare." -Manohla Dargis, New York Times "A major achievement, a work that deserves, in its own way, to be viewed alongside Barry Jenkins' Moonlight as a giant leap forward for the possibilities of black cinema; Get Out feels like it would have been impossible five minutes ago." -Brandon Harris, New Yorker Jordan Peele's powerful thriller Get Out debuted in 2017 to enormous public and critical acclaim, a Guess Who's Coming to Dinner? for the age of Obama and Trump that scared audiences and skewered white liberal pieties at the same time. Rather than rely on popular archetypes, Peele weaves together the material realities and daily manifestations of horror with sociopolitical fears and elements of true suspense, and combines them with pitch-perfect satire and a timely cultural critique. This companion paperback to the film presents Peele's Oscar-winning screenplay alongside supplementary material. Featuring an essay by author and scholar Tananarive Due and in-depth annotations by the director, this publication is richly illustrated with more than 150 stills from the motion picture and presents alternate endings, deleted scenes and an inside look at the concepts and behind-the-scenes production of the film. Continuing in the legacy of 1960s paperbacks that documented the era's most significant avant-garde films--such as Akira Kurosawa's Rashomon, Jean-Luc Godard's Masculin/Feminin and Michelangelo Antonioni's L'Avventura--Get Out is an indispensable guide to this pioneering and groundbreaking cinematic work. Jordan Peele (born 1979) is an American writer, director and producer. Peele's directorial debut, Get Out (2017), earned him an Academy Award for Best Original Screenplay as well as nominations for Best Picture and Best Director. In 2012, Peele founded Monkeypaw Productions, which amplifies traditionally underrepresented voices and unpacks contemporary social issues, while cultivating artistic, thought-provoking projects across film, television and digital platforms, including Peele's follow-up to Get Out, the critically acclaimed horror epic, Us (2019).

Lewis "Shoe" Blake is used to the joys and difficulties of life on the Tuscarora Indian reservation in 1975: the joking, the Fireball games, the snow blowing through his roof. What he's not used to is white people being nice to him -- people like George Haddonfield, whose family recently moved to town with the Air Force. As the boys connect through their mutual passion for music, especially the Beatles, Lewis has to lie more and more to hide the reality of his family's poverty from George. He also has to deal with the vicious Evan Reininger, who makes Lewis the special target of his wrath. But when everyone else is on Evan's side, how can he be defeated? And if George finds out the truth about Lewis's home -- will he still be his friend?
