The Machinery
Directive, Directive

File Type PDF Machinery

2006/42/EC of the
European Parliament
and of the Council of 17
May 2006 is a European
Union directive
concerning machinery
and certain parts of
machinery. Its main
intent is to ensure a
common safety level in
machinery placed on
the market or put in
service in all member
states and to ensure

File Type PDF Machinery

freedom of movement
within the European
Union by stating that
"member states shall not
prohibit, restrict or
impede the placing on
the market and/or
putting into service in

The Machinery

Directive 2006/42/EC

The Machinery

Directive is EU

legislation that is

implemented in the

member states of the

File Type PDF Machinery

European Economic Area (EEA) by local laws in order to ensure the establishment and functioning of the internal market of the EU. For this reason, The Machinery Directive 2006/42/EC, broadly speaking, has two objectives:
