~~Safeguarding disabled children –~~  
~~GOV.UK~~

Dyslexia is perhaps the most common, but least understood of all the learning difficulties. It can be referred to as a 'hidden disability' as sometimes the characteristics and symptoms are not obvious. Some young people can in fact go all the way through school without dyslexia being identified – they struggle, they become frustrated and they often underachieve. This highlights one of ...

~~Dyslexia—Dr Gavin Reid~~

I used this text to support a continuing professional development course in active learning that I taught to practicing teachers. The focus on an evidence-based approach was very effective in convincing the class that these methods can be applied in a manner that promotes greater student achievement, holistic development and an engaging, rewarding challenge to the teachers themselves.
