Subscribers to MKSAP 16 Complete will receive the following: MKSAP 16 Print Books MKSAP 16 Digital: includes Online and Mobile formats MKSAP 16 Online Updates Board Basics 3 (available in print and digital formats) MKSAP 16 is specifically intended for physicians who provide personal, nonsurgical care to adults, including: * General internists and primary care physicians * Subspecialists who need to remain up-to-date in internal medicine * Residents preparing for the ABIM Certification Exam in internal medicine * Physicians preparing for the Maintenance of Certification Exam in internal medicine.

Approved for AMA PRA Category 1 Credits through July 31, 2018 for Part A books, December 31, 2018 for Part B books.

This newly revised edition of Teaching in Your Office is an excellent resource for physicians interested in improving their techniques in office-based teaching while maintaining the efficiency of their practice. Updated and redesigned, this new edition offers teaching skills in a format succinct and focused enough to allow busy clinicians to identify chapters that address their specific needs. Additionally, each major topic is summarized in an Appendix that includes additional tips, tools, and resources for preceptors. Office-based teaching should be a beneficial and rewarding experience for both teacher and student. However, ambulatory medical education takes place in a fast-paced, often chaotic environment in which there is little time for instruction, observation, and feedback. Consequently, preceptors mistakenly consider the opportunity for their own self-improvement to be limited.

This enhancement to MKSAP 16 is to prepare for the Boards after completing a systematic review of MKSAP 16.

Designed for medical students on their clerkship rotation, this new edition of MKSAP for Students 4 includes more than 400 new, patient-centered self-assessment questions and answers, focused on important internal medicine information from the Core Medicine Clerkship Curriculum Guides Training Problems. The accompanying CD-ROM automatically tracks progress, assesses areas for further focus, enables category-based and random question ordering, and links directly to PubMed.

Focused on practical management of patients with common clinical conditions, In the Clinic offers evidence-based answers to frequently asked questions about screening, prevention, diagnosis, therapy, and patient education and provides physicians with tools to improve quality of care. Drawing on various resources, such as PIER (the evidence-based, electronic point-of care decision-making tool for clinical guidance), MKSAP, practice guidelines, and quality-of-care measures, In the Clinic presents information in an easy-to-read format that emphasizes practical measures that can be readily integra
