Karl Polanyi and Friedrich Hayek's Economic Ideas - 841 ...

Polanyi's detractors across the political spectrum have always accused him of romanticism, of idealizing pre-capitalist societies and ignoring the forms of oppression that underlay them. In its cruder forms, the accusation is unfair, for Polanyi never suggested that a return to earlier modes of life was possible or desirable.

The impossibility of conveying tacit knowledge of market participants to a higher authority became central to his defense of decentralization and free market. His grasp of the concept has evolved through time. Michael Polanyi developed the concept of tacit knowledge in the 1950s within an existentially oriented structure of "indwelling".
