In this edition, there are 57 new images of work by living artists, 45% of them women and 30% of them global. Inclusiveness: Readers from diverse backgrounds want to know how earlier people who share their origins have contributed to human creativity. Artforms has always honored this quest, and this edition deepens that commitment. This edition includes work by six new African-American artists, and 20 new works by artists from around the globe.

disciplines of the arts and helps students understand that as humans form works of art, we in turn are formed by what we have created. Continuing to emphasize this two-way interaction with art first introduced by original authors Duane and Sarah Preble, current author Patrick Frank combines coverage of classic works with contemporary art that reflects the ever-evolving state of human creativity while igniting students' interest in art.

This is a Prebles' Artforms Twelfth Edition textbook by Patrick Frank and published by Pearson Publishing. The condition is Like New because I used it for a semester but that is the only time I ever used it. Also, this version of the textbook is the loose leaf version, so I put it in a used white binder that I had laying around the house.
