Unlock all the features of your Galaxy phone Let ’ s face the facts: when it comes to tablets, most people think about iPad; that ’ s a shame because while Apple may dominate the headlines, when it comes to number of tablets sold and technology innovation, Samsung frequently has them beat. If you are making the switch from iPad to Samsung or are upgrading from another Android or Samsung tablet, then this guide will walk you through the basics of the operating system. It ’ s going to cover only what most people want to know—so if you are looking for something highly technical that teaches you how to set up private virtual networks, then keep looking. But if you want something that teaches you all kinds of cool tricks and helps you get started, then this book is for you. You ’ ll learn about: Setting up your tablet Installing apps and widgets Connecting to Wi-Fi Changing themes and wallpaper Using Gestures Using the camera Surfing the Internet Changing system settings Using Samsung Kids mode And much more! Don ' t Flip Out Learning the Z Flip3 If you have been using a cell phone long enough, you probably remember the days of flip phones that slipped into your pocket. They were small, practical, and they were used to actually call people! Then smartphones came along, and suddenly calling people didn ' t matter—you could surf the Internet, take pictures, text, check social media, and so much more. Long as we ' ve come, we seem to be back to square one: the flip phone has officially made a comeback! The Samsung Galaxy Z Flip3 is truly a work of innovation that brings the portability that we loved about older phones with the power that we can ' t live without. The fortunate thing about the Galaxy Z Flip is the software isn ' t that unlike other Samsung devices (or even Android devices); so if you ' ve used an Android device in the past, you ' ll get the hang of it pretty quick. This guide will help new and old users alike learn how to take advantage of all the best features on the Galaxy Z Flip3. These features include: Setting up your phone Using the foldable screen Making calls Using Samsung SmartTag Installing apps Using the camera Surfing the Internet Changing system settings And much more!
