Samurai War Stories Teachings And Tales Of Samurai Warfare

Little is known about the complex realities of their world; with only a handful of samurai texts available in translation, the warriors have been mainly viewed through the foggy lenses of war chronicles and epic tales that describe their early battles. One such example is the story of the double death of the 14th-century warriors Kusunoki Masashige and his brother Masasue - who committed suicide together following their defeat at the battle of Minato River.

A brief history of samurai warfare: Who were the samurai ...

Without war there was less need for practicing martial disciplines so during the period, the overall fighting skills of the samurai warrior class fell into decline and samurai war stories became strictly an exercise in history and reminiscence of a bygone era.
