An individual who is a UK resident for tax purposes will be taxed on his or her worldwide income, with allowances to prevent double taxation from certain countries. Non-UK residents, on the other hand, only pay on income earned within the UK.

The complete guide to the UK tax system | Expatica

U.S. Federal Income Taxation of Individuals 2020. This is the seventh version of this textbook, updated through December 2019 for use beginning January 2020. This textbook is not intended to be an exhaustive treatise; rather, it is intended to be far more useful than that for beginning tax law students by equipping the novice not merely with unmoored detail but rather with a rich blueprint that illuminates the deeper structural framework on which that detail hangs (sometimes crookedly).

Japanese Tax System : Ministry of Finance

The book does not provide a comprehensive view of federal individual income tax issues. Tax credits are barely covered. Also, because the author does not appear to have prepared tax returns, she has entirely skipped covering tax planning advice for individuals that one would be aware of if they understood the details of individual tax returns.
