The best book on photography as an approach to personal expression that I have seen. In our age of high tech equipment and mega pixels, the author says: "Alone or together, good composition and technical prowess don't imply fine art. A great number of photographers can produce exquisite photographs that say nothing and inspire nobody."

The Four Steps to Overcome Approach Anxiety Step #1 Notice Fear. Fear is hardest to catch in the moment. Often, we just feel a strong pull to get away from whatever causes our fear. And so we avoid eye-contact, make ourselves small, try not to be noticed, and generally just squirm at the thought of making an approach.

The ART approach was built on a traditional planning process framework - from scoping to implementation - that ART Program staff tested and refined to address the specific challenges of building climate resilience across different communities, assets and services, and jurisdictions and owners. Three factors for success
