The Ropemaker About the Book. High fantasy novel about people from a simple and unmagical valley journeying through an all-controlling and magic-riddled empire to find the magician who can renew the spells that keep their valley safe. Author Comment. This was, effectively, another car story, though I told it on foot.

The Ropemaker book by Peter Dickinson

Dickinson's new work is a quest fantasy, but not in the heroic mold. Its core is set in a Valley, cut off from the warlike tribes on the northern plains and from the Empire to its south, by barriers fueled by the channeled magic of the area's people. As the story begins, the defenses that safeguarded the Valley over 20 generations are breaking down. Tilja, her grandmother, and Tahl with his ...

The Ropemaker Series by Peter Dickinson - Goodreads

Peter Dickinson's explanations of what magic is, and who can use it, are quite interesting and the descriptions are captivating. His character development is much less compelling. The reader learns little about Tilja until halfway through the book, and even then, it feels incomplete.

The Ropemaker is a good example of what YA books should demonstrate, but are failing to do so in recent years. This book follows the quest of Tilja and her friends/family as they make their way through a foreign world in a last ditch attempt to save their small town far removed from the decadence and corruption of a frightening government and a world that abuses magic.
