Savage Love tells (almost) all anyone needs to know about sex. Brutally honest and scathingly funny, Dan's advice will inform and shock the curious reader. Savage has the last word on everything from STDs and fetishes, to fundamentalism and orgasms (multiple, premature and faked). He gives advice on how to get into, out of and off on a relationship, explains what straight boys should do with women's genitals and why straight girls dig gay boys. From the queer who knows best, the book sets out to tell it like it is. Don't like my advice? Don't ask for it. Don't like my column? Don't read it. Got better advice? This book details the experiences of a happily married couple who, at the husband's suggestion, decide to play at female domination. The wife is reluctant at first but soon comes to see the advantages for her and the fun to be had for them both by bringing her husband's fantasies to life. Through enforced chastity, cuckolding, bondage and corporal punishment the wife gradually and, at first, slightly reluctantly, pushes the boundaries of their game. The tale is told entirely from the wife's perspective and details her thoughts and feelings as she drives her devoted husband into ever deeper devotion to his ever more demanding Mistress.

I am writing this book for the woman who is interested in being in a Female Led Relationship. It is for the women who is at her wits end and is tired of the same old thing with the same men. She is tired of being an object in her relationship. She is tired of not getting satisfied in bed. She is tired of "sleeping on the wet spot" while her lover rolls over and falls asleep. She is tired of being overlooked and taken for granted. This is not a book of erotic titillating stories. While in later chapters I will give you a variety of ideas to take "erotic control" of your partner, my primary purpose is to give you a realistic illustration as

to what to expect and think about when you are in a relationship like this. We have all dated that guy who wanted sex all the time and was really kinky in the bedroom. The kind of guy that wants to do it in the back yard while you're wearing a red satin teddy or a guy who wants to watch while you are pleasuring yourself with your magic vibrating egg. But a Female Led Relationship is more than just kinky sex. It's actually a very small part of it. It is first and foremost a relationship between two consenting adults. It isn't just one or two steamy and kinky moments of passion. It's a way of living. It's a lifestyle with the woman at the helm.

Nowadays many people are becoming more and more aware to the concept that not all relationships are the same. What works for some people certainly does not suit others. Love and affection need not be confined to labels and strict definitions, because the spectrum of what constitutes a relationship is broader than many people imagine. The foundation of a great relationship is built on a solid platform comprised of love, trust, respect and above all, communication. But there are so many different ways of expressing these things, and no relationship is "one size fits all." For many people, the phrase "traditional relationship" conjures an image of a subordinate woman, with the man ruling the roost. While this is no longer seen as an absolute standard, it still has resonance with lots of people. And while a large majority of people prefer a more egalitarian approach to relationships, that doesn't work for everyone either. Female led relationships are often misunderstood, but are more common than you might think. In this type of relationship, the woman is the dominant partner and her partner is the willing subordinate. We'll be exploring the dynamics of this type of relationship in this guide, and the various aspects and benefits it has to offer. You may find yourself more intrigued than ever before.

Dan was a devoted and loving husband. His only desire in life was to provide for his wife in every way, shape, and form. When they went on vacation, he took the opportunity to find something special for her, something very special - a handsome man to make love to her. She at first expresses her objection to the idea, yet soon realizes how much her husband would love her to experience it. As his loving wife, she bends to his desire for just this once. After she's had a taste of what it's like to be made love to by a perfect male specimen, she learns to feed her husband's desire to see it happen again. In the process, she

manages to subtly transform her loving husband's role into that of a serving, and catering servant while at the same time, he finds out what his true desires have been all along when he enters a new world of male chastity and feminization, suggested by his wife. Together, they learn how to overcome societal taboos and beliefs by putting aside male ego and the perceived need for monogamous relationships. They experience ecstasy beyond belief and their daily lives become filled with sensuality and excitement. Is he then a cuckold, or is he just a man trying to get the most out of life for the love of his life? Is she a slut wife, or is she just a woman taking advantage of the gifts a woman has to experience bliss? Is he no longer a man, or has he transcended the stereotype of what a real man is and achieved true courage by becoming a feminized male? How many women would ever think of feminizing men to obtain the things they deserve to have and immerse themselves in unending blissful experiences, heretofore unheard of, by becoming a hot wife? Look inside and start reading now. It might change the way you look at things. If it does, the things you look at might change as well.

The #1 thing men secretly desire of women, yet typically won't admit it. Are you the one who likes to be in control, especially when it comes to making decisions for you and your partner? Do you and your significant other naturally fall into the dominant female and submissive male roles in your relationship, yet do not feel as if you utilize this couple dynamic to its fullest potential? Have you heard of or seen your friends in a female led relationship, the idea peaking your interest, but do not know how to implement this lifestyle into your own daily routine? Through years on end, men have always been the dominant one in relationships, telling the woman what to do, taking care of finances, and typically taking the lead in the bedroom. Because women are quickly becoming more and more aware of the influence they can have on the world and thus breaking out of their shells, female led relationships are becoming
