~~Witch trials in early modern
Scotland - Wikipedia~~

An accusation of witchcraft in early modern Scotland was usually brought against a woman by someone living in her neighbourhood. It often 'began with an insult [and] ended with a public burning'.¹ The steps along this tragic path were determined by men in authority and the institutions in which they operated.

Thousands of people were accused of witchcraft in Europe from the Middle Ages into the Early Modern Era. The majority were women, but many men were also accused. Analyzing the reasons for the accusations can be complicated, as there are various theories, and the reasons behind the accusations could vary by region and by individual case.
